vation. In fact performances heretofore have been handicapped because of the lack of this necessary feature.

The last stage rehearsal was held at the opera house last night. The performers went through with their various parts without a hitch and tonight's performance is calculated to be equally faultless.

While there are a few seats still on sale there is no doubt but that they will go rapidly when they are thrown open to the public today.

SEWEPT THROUGH FLUME.

Child Lives to Tell of Remarkable Escape From Death.

Vancouver, B. C., May 4.—Thrilling was the experience of Mary Olhaiser, the 7-year-old daughter of Mrs. Olhaiser of Nelson. She was carried 400 feet down a flume and swept into Kootenay Lake, but beyond sustaining a few bruises, she was not hurt.

The little one was playing with several companions near the flume after school. She slipped into the flume, in which water to the depth of two feet was running rapidly, and screaming lustily, was borne swiftly toward the lake.

Close to the entry to the lake the water rushes over rough rocks, and there is quite a fall. Here the child was dashed against boulders and

PARKS THE BRIBE TAKING WALKING DELEGATE, DEAD

New York Labor Agitator Succumbs to Consumption in Sing Sing Prison-- Afflicted When Convicted.

Ossining, N. Y., May 4.—Sam Parks, the New York labor leader, who was sent to Sing Sing prison after his conviction of a charge of extortion, died in prison today. He had consumption at the time of his conviction, and had failed rapidly since he was sent to Sing Sing.

Parks, after his first conviction, was brought to the prison on August 27 last. On securing a new trial he was released on bail September 5. After his second conviction he was brought back to the prison on November 6 to serve a term of two years and three months.

Sam Parks was prominent for years in labor circles, being a leader in Chicago before coming to New York, and the loyalty to him of his associates was remarkable. He was walking delegate, or business agent, of the local Housemiths' and Bridgemen's Union for several years, and it was under his leadership that the big strike of ironworkers in New York last year was inaugurated.

turned over and over by the swirling water.

As she shot out into the lake, which is not very deep at this point, men attracted to the water front by the child's schoolmates, observed her. One of these jumped into the lake and brought her ashore. Much to the men's surprise the little girl was able to walk the two blocks to her home.

Parks, and the general strike throughout this country which the New York leader sought to have ordered. The contest was carried to the annual convention of the union, where Parks won, to the extent that he prevented the recognition of a rival union, which had been approved by both President Buchanan and the New York contractors. During last summer charges of extortion were made against Parks and he was finally indicted, it being alleged that he had taken \$500 from an employer on a promise to call off a strike. Other similar charges were made, but both times he was tried on the same charge.

After returning to New York from Sing Sing, the first verdict having been overturned by a higher court, Parks was one of the central figures in the Labor day parade last September. When convicted the second time and sentenced to Sing Sing he announced that he had given up the fight for himself and for labor and wanted to die in peace.

Tim McCarthy, one of Parks' associates, was also convicted and sent to Sing Sing on the charge of extortion. When Parks' condition became more serious and death seemed only a question of a few days, there was talk of making an attempt to secure his pardon, but Governor Odell said yesterday that no application for a pardon had reached him.

The voters of the city are beginning to awake to realization of the fact that the registration books will soon be closed, and yesterday the registration clerks were kept busily engaged writing down the names of voters in the roll books. Last evening the office of the clerk was kept open between the hours of 7 and 9 and a fairly large number of names were added to the lists. At the close of business yesterday afternoon the registrations totaled 1035, in the various precincts as follows: No. 1, 123; No. 2, 159; No. 3, 179; No. 4, 178; No. 5, 194; No. 6, 111; No. 7, 91. The greatest gains were made by precincts No. 3 and No. 5, and it is evident that the latter is going to be the banner city precinct this year. It is expected the clerks will be kept busy from this time on, and the prediction is made that fully 1800 names will appear on the rolls.
